• WHO IS SHAUN BOOTHE? •

Hip hop artist. Motivational speaker. Creator of the critically acclaimed Biography Series.

Shaun's passion to succeed has been evident since day one. From intern to international, he started his career in the entertainment industry with a temp job at Much Music. He was offered the job after winning the nationwide MuchMusic Temp competition - beating out thousands of hopefuls and earning him a cool \$25,000 and a condo for the summer. More valuable than that, however, he learned a priceless life lesson: Nothing is impossible. Nearly ten years later he returned to the "Nation's Music Station" and walked the red carpet, not as a contest winner, but as an MMVA nominated artist. It seems the lesson was never forgotten.

• WHAT IS THE BIOGRAPHY SERIES? •

With hundreds of thousands of Youtube views, as well as praise from industry heavyweights like Kanye West and Sean 'Diddy' Combs, The Bio Series tells the inspiring life stories of cultural icons through music and rhyme. With a documentary-style music video to match, the Bio Series is a celebration of greatness made not just to inform and entertain but to inspire and awaken the greatness within us all.

Hip hop is the youth culture of the world. The Bio Series harnesses that power and uses it in a fresh new way to engage the youthful minds of today.

"What is so critical about the work that Shaun is doing is that the information he is sharing is couched in a relevant form of media that young people are not only open to, but searching for."

— Gavin Sheppard (The Remix Project, Executive Director)
