- **Joan Tschernow** (Cardinal Newman Catholic High School, Principal)

Our school absolutely loved Shaun and we are grades 4-9. Our kids and staff were in awe of the presentation and it could be by far the best presenter we've ever had. The presentation rated beyond what we could have hoped for! He touched our hearts and inspired many kids/staff.

- **Mandi Connolley** (Captain Nichola Coddard Junior High, Calgary, AB)

"Shaun's research of important icons and delivery is one that appeals to young and old and seamlessly allows educators connect key virtues presented with their own subject material."

- **Ms. Bal** (Lead Student Success Teacher, Montcalm Secondary School)

"I recently booked Shaun to be the keynote speaker at our 5th Annual TDSB Stand Up Conference. Shaun was not only our youngest but possibly one of our best keynotes we've had to date. The way he mixed his strong message of character and education with the performance of his incredible Biography Series videos had the whole audience captivated - students and adults alike."

- **Gary Crossdale** (Caring and Safe Schools Administrator, TDSB)

WHO IS SHAUN BOOTHE?

Hip hop artist. Motivational TEDx speaker. Creator of the acclaimed Unauthorized Biography Series.

Shaun's passion to succeed has been evident since day one. From intern to international, he started his career in the entertainment industry with a temp job at Much Music. He was offered the job after winning the nationwide Much Music Temp competition - beating out thousands of hopefuls and earning him a cool \$25,000 and a condo for the summer. More valuable than that, however, he learned a priceless life lesson: Nothing is impossible. Nearly ten years later he returned to the "Nation's Music Station" and walked the red carpet, not as a contest winner, but as an MMVA nominated artist. It seems the lesson was never forgotten.

WHAT IS THE UNAUTHORIZED BIOGRAPHY SERIES?

With hundreds of thousands of Youtube views, as well as praise from industry heavyweights like Kanye West and Sean 'Diddy' Combs, The Bio Series tells the inspiring life stories of cultural icons through music and rhyme. With a documentary-style music video to match, the series is a celebration of greatness made not just to inform and entertain but to inspire and awaken the greatness within us all.

Hip hop is the youth culture of the world. The Bio Series harnesses that power and uses it in a fresh new way to engage the youthful minds of today.

What is so critical about the work that Shaun is doing is that the information he is sharing is couched in a relevant form of media that young people are not only open to, but searching for.

(The Remix Project, Executive Director)
